

Fact sheet for Student Exchange Program

Jilin University

A. University Profile:

Name of University	Jilin University	
University Website	http://www.jlu.edu.cn	
Brief Introduction of the University	<p>Jilin University, founded in 1946, is a national key comprehensive university under the direct administration of the Ministry of Education in China, and among the first batch of “Project 985” and “Project 211” key universities. In 2017, it was rated as one of the first group of A-level “Double First-Class” universities. In 2022, six disciplines were listed in the second-round selection of “Double First-Class” universities and disciplines. Jilin University offers a wide range of disciplines, covering 13 academic categories: philosophy, economics, law, education, literature, history, science, engineering, agriculture, medical science, management, art and inter-disciplines. The university has a complete high-level talent training system with bachelor’s, master’s, and doctoral programs, and more than 70,000 students at the campus. It has nurtured over 600,000 alumni worldwide and ranks tenth in the number of outstanding alumni in Chinese universities. Its quality of high-level talent is widely recognized by both international and domestic communities. With a focus on the goal of “Double First-Class Initiative”, the university has continuously optimized its global cooperation network and established partnerships with 302 universities and research institutions in 40 countries and regions.</p>
